### About This Game

This is the sequel to the "realistic" fighting game, Dirty Fighter! Almost two years later we proudly present, Dirty Fighter 2! DF2 is a semi-fast paced fighting game with NO RULES! Ever want to kick someone directly in the balls? If yes, this is the game for you! This inter-gendered fighting game is the perfect combination of strategy and dirty tactics. Dedicated to anyone who appreciates low blows, and illegal moves! With 20 playable characters, 10 ladies and 10 dudes, you're likely to find a character suitable to yourself. Each character has a few different unlockable outfits, and can be equipped with MANY different fighting moves! Unlock more characters and content, by earning coins, after every successful hit you land! Ladies and gentlemen, hold on to your hats (and to your groins) we give you Dirty Fighter 2! Let the battle of the sexes begin!
