Group Mac Demarco from region Canada plays in genre Indie Rock and is recorded on label Royal Mountain Records, at the time 25-08-18 in status Active.. Over one million legal MP3 tracks available at Juno Download Captured Tracks BUY.. Release Date:2017-05-05digitalWhat we said:With his lo-fi sensibility, affable demeanor and consistent refusal to take his art too seriously (be that disclosing his address or offering to make fans coffee) Mac DeMarco is often referred to as the key figurehead of a growing slacker-rock movement.. Following the release of Another One, DeMarco moved from his isolated Queens home to a house in Los Angeles to create the album.. Stream DOWNLOAD ZIP!
